

Class 9 Autumn Term 1 'Take Away Homework Menu'

Our homework menu gives you an opportunity to be more creative with your homework this half term and links with our topic. You will need to choose **three** pieces from the 'menu' below to complete over the half term-one **from each column**. After you have completed each one, bring it back to school. The 'Peri-ometer' shows the difficulty or challenge the homework may offer. It can even be a photograph or drawing of something you have done. All your three pieces need to be done by October half term. I will still be sending out weekly English and Maths homework each Friday to be completed by the following Wednesday. Spellings will be given on Mondays to be learnt for a test on Friday.

Topic - Art, design and technology	Science - Evolution and Inheritance Animals and their habitats	Geography
Make a model of a New York landmark - you could use papier mache, plasticene or recyclable materials	Create a family tree for your family	Name all of the American states - try to put them in alphabetical order
Create a Mexican meal then take a photo before eating it - I'm thinking nachos, tacos, burritos etc	Write a factfile about an animal that lives in the Amazon rainforest	Draw a portrait of an American president
Make a Native American headdress	Create an annual rainfall graph for the Amazon basin	Design the page from a travel brochure for either Mexico or the USA
List 5 different languages that are spoken in countries in the Americas	Create a similarities and differences list to compare two members of your family. It could include you, but it doesn't have to	Research the life of a famous American sports star - present the information in whichever way you want
