

Class Four Summer Two Term One Take Away Homework!

You will need to choose **one piece of homework each week** from the 'menu' below. Over the term try to choose from the different columns. After you have completed each one, bring it back to school. . Remember that each piece does not need to be longer than 2 sides on your homework book-it can even be a photograph or drawing of something you have done.

English and Maths	Geography and History	Science and Technology
Create a fact file about yourself when you were a baby. When and where were you born? Do you have any measurements? Bring in a baby photograph and we will photocopy it.	Find information and photographs about what happened to the Titanic in 1912. Draw a map of where it was sailing from and where it sunk.	Make a model of the Titanic Ship!
Visit Encyclopedia Titanica: Titanic Facts, History and Biography (encyclopedia-titanica.org) and read for information to find out about The Titanic.	Find out about Grace Darling and why she became a hero.	Create a colourful poster on how to recycle plastic.
Visit Spelling play and play some of the suffix games. SpellingPlay - Spelling games, planning and teaching ideas	Draw a map of the UK and mark on different towns by the sea.	Keep a table to record how much plastic your family use in a week
Log onto www.mathswithparents.com Class four Class code 576286 Complete some activities from the Autumn or Spring Term	Write about a seaside town you have visited.	Plastic Waste is really damaging our oceans and seas. Can you 'upcycle' some plastic into a model of something?
