

Class Four Autumn Term One 2020 Take Away Homework!

Me in My World This half term we are all following a theme called 'Me in My World.' Each week we will be beginning a new learning question which is linked to the child's own experiences. On Friday we will send out the home learning journals with the question on for the following week and a choice of tasks. Please could your child return it to school by Wednesday of the following week. You only need to choose one activity to do each week

<p>Week One 7th September <i>Through the key hole'</i> <i>What pets do me or my family have?</i></p>	<p>Draw and label your pet. What does it eat? How do you care for it? You could bring a picture of your pet or upload it to Class Dojo.</p>	<p>As well as finding out about your own pet, find out more about a relative's pet.</p>	<p>Write out a set of instructions on how to care for your pet. Number your instructions and add pictures.</p>
<p>Week Two 14th September <i>Through the key hole'</i> <i>Where is my home? What is my local area like?</i></p>	<p>Look for the place where you live on Google Earth.</p>	<p>Draw the outside of your house and others in your street. Can you label what the different parts are made from? Eg. the door is made from... How many rooms do you have? What is your house number?</p>	<p>Draw the route you walk to school. Label the roads you walk down and time how long it takes you.</p>
<p>Week Three 21st September 'Unique and wonderful me' What is the same and what is different between me and my friends? What can our bodies do?</p>	<p>Can you measure different parts of your body in cms?</p>	<p>Can you measure different parts of your body in cms? Find a picture of a human skeleton and stick it into your homework book.</p>	<p>Can you measure different parts of your body in cms? Can you measure other members of your family and look at the differences.</p>

<p>Week Four 28th September 'Ready, steady go!' How do people travel where I live? How far and how fast will things travel?</p>	<p>Can you draw and label your family or a relative's car?</p>	<p>Find out about what cars looked like 100 years ago. How have they changed?</p>	<p>Make a model of any type of transport -use anything you like.</p>
<p>Week Five 5th October 'Up, up and away!' What makes the aeroplanes fly above my head?</p>	<p>Make a paper aeroplane and decorate it. How far can you make it fly?</p>	<p>Find out about what aeroplanes looked like 100 years ago. How have they changed?</p>	<p>Find out about how aeroplanes fly! Draw and label an aeroplane</p>
<p>Week Six' 12th October 'Splish, splash, splosh!' What is the weather like where I live? How is it different to other places? How do the seasons affect the weather?</p>	<p>Find out about the four seasons-draw a picture to go with each season.</p>	<p>Can you make something to catch and measure rain in?</p>	<p>Look at the weather in three different countries on the same day. Draw a chart and write down the weather for that day. Can you find the places on a map of the world?</p>
<p>Week Seven 19th October 'There's a child just like me'. What are home like in different places around the world?</p>	<p>Look on Google Earth-look at the Kalahari Desert. How is it different to Mexborough?</p>	<p>Can you make a piece of traditional African Jewellery?</p>	<p>What can you find out about the Kalahari Desert and the Ashanti Tribe?</p>
