

Class 7 Autumn Term 1 'Take Away Homework Menu'

This half term we are going to do homework a little bit differently. We have changed it so you have more choice in how you do your homework. You will need to *choose three pieces from the 'menu' below to complete over the half term-one from each column.* After you have completed each one, bring it back to school. The 'Peri-ometer' shows the difficulty or challenge the homework may offer; try to challenge yourself to complete at least one Extra Hot challenge! You can even bring in a photograph or drawing of something you have done. All your three pieces need to be done by October half term. I will still be sending out weekly Spellings, English and Maths homework each Friday to be completed by the following Friday. Spelling tests will be on a Friday.

<i>Art, design and technology</i>	<i>Science - living things and their habitats</i>	<i>Geography-maps of the UK</i>
Create a model of a scene from Narnia. You will need to look at some pictures of it first.	Make a model of a habitat out of any material you choose e.g. clay, papier mache, cardboard, etc.	Attempt to draw an outline of the UK. Plot the different Countries.
Create an informative leaflet about River safety.	Create a model of an animal that could be found locally using paper or cardboard	Create a set of instructions to advise people on how to use a compass.
Design a healthy recipe - what ingredients would you include. Can you make it (take a photo)	Write an explanation on how classification keys work. You can also draw a simple diagram.	Use Google Earth to locate a famous landmark. Print off a screenshot or take a picture of what you find.
Draw a picture and label the colours in French.	Design a poster to promote protecting local habitats.	Research London and write down ten fascinating facts about our Capital City.
